Forecast for Wednesday 29 Nov 2023

Weather: A lot of dry, clear, sunny but cold weather expected across the Mournes. A risk of fog or freezing fog patches and a good deal of cloud in the morning, but breaking and clearing in the afternoon. Low chance of light snow showers later in the evening falling as rain at lowest levels.

Chance of cloud-free hill tops above 700m: 40% rising to 80%, lowering again late in the evening.

Low cloud and visibility: Some patches of valley fog or freezing fog clearing through the morning. Patchy cloud sheet at 800m clearing through the morning with good visibility away from that cloud. More lower cloud arriving late in the evening. Visibility mainly very good except in snow or patchy summit cloud.
